

LICENCED PEST CONTROL TECHNICIAN

A successful private company in a growth state, invites applicants to fill the position of Licenced Pest Control Technician. The suitable applicant will be required to render integrated pest management, termite treatment, and fogging.

IDEAL CANDIDATE MUST HAVE THE ABILITY TO:

- Inspect and identify pest problems at the customer's premises.
- Advise customers on the type of treatment necessary for their pest issues.
- Safely apply pesticides to buildings and the environment.

COMPETENCIES:

- Possess a valid General Driver's Licence which should be at least 5 years
- Exceptional customer service and service delivery skills.
- Good written and oral communication skills.
- Trainable, self-reliant, resourceful, purposeful, and highly motivated.
- Be able to work nights, weekends and public holidays if required.
- Be able to stand for extended periods of time to work in uncomfortable environments.

Applicants are invited to submit their resumes by
